OUR HISTORY

Sathyam Educational and Charitable Trust was the initiation taken by the Founder Trustee CA.S.Ragunathan with a vision to provide quality education under CBSE curriculum and other welfare measures to the rural community. Likeminded people, entrepreneurs in various fields from various areas like Erode, Palladam, Coimbatore and Vellakovil joined hands for this noble cause and formed Sathyam Educational and Charitable Trust which is properly registered under Indian Trust Act 1882. Now Sathyam Educational and Charitable Trust comprise of 25 members, entrepreneurs in various fields serving as Managing Trustees.

Ln.K.R.Chinnasamy, Entrepreneur in Vellakovil is leading the trust in position of Chairman. CA.S.Ragunathan, the Founder Trustee is now running the School as Correspondent and acting as the Founder Secretary of the Trust. Mr.S.P.Sakthivel, Entrepreneur in Vellakovil is the Treasurer of the Trust.

As the outcome of their consentient thoughts to provide education to the rural community with international caliber, Sathyam Educational and Charitable Trust started its first venture in Vellakovil as Sathyam Montessori School in the academic year 2010 with around 60 students. After 4 years of hardworking Sathyam Educational and Charitable Trust expanded its wings as Sathyam International School in S.G.Valasu, Vellakovil to satisfy the requirements of the parents in Montessori school.

Sathyam International School was started in the year 2013 in a single storey building as an exclusive school following CBSE Curriculum. It is the outcome of an in-depth study on the contemporary education system in our country. The school is exclusively serving the rural community and providing them the arena to explore the world. It is the only CBSE school in and around 30 Km radius.

The full fledged works of the building was completed in September 2015. The School got Recognition and NOC upto Higher Secondary level from the Department of School Education, Tamilnadu.

Now, the School has got an astounding infrastructure to match international standard and has got experienced crew of people for the individual holistic development of every single learner. The school is located in 3.03 acres of land with natural ambience to facilitate focused learning.

The School Management is striving to enable modern learning with multifarious sports and to provide world class education with excellent environment to the students.

OUR AIM

- » Holistic Education, Empirical Learning, Activity Based Learning
- » Designing the long term Discipline for Children Centered Education...
- » Multi talented Teachers with passion and Compassion.
- » Sharing and caring in educational learning activities.
- » Generating students to Learn in all directions.
- » Cultivating the child mind through Moral Instructions, Problem Solving Skills.
- » Communicative English.

OUR INFRASTRUCTURE

COMMODIOUS CLASS ROOMS

Each Classroom is designed in such a way to provide space for the children to learn, explore and enhance knowledge. Spacious classrooms provide room for the children to do their group and individual activities inside the classrooms. All the classrooms are provided with Digital boards with speakers and projectors to induce audio visual learning which is considered to be the most effective way of learning in this era. As the class strength is limited to 25 members, each student has the opportunity to have individual attention.

 learning*
 ”

WELL EQUIPPED LABORATORIES

SCIENCE LAB

Composite Science Lab with all essential facilities with ample space is provided. User friendly safe environment in the lab provides the learner the better platform for learning by doing. The equipments and apparatus are provided at par with current modern scenario.

COMPUTER LAB

Well equipped Computer lab with 25 Computers are provided. All the computers are updated with all the latest software related to the curriculum. As the computers are provided in 1:1 ratio for the students, all the students can get opportunity to make use of the lab to the core.

RAMANUJAM MATH LAB

Ramanujam Math lab is provided with collection of games, puzzles, and other teaching and learning material. Our Math Lab activities are framed to give children an experience of doing mathematics. It helps the students to visualize, manipulate and reason about the given problem, gives more scope for individual participation, encourages students to become autonomous learners, builds up interest and confidence in the students in learning and doing mathematics.

Linguistic Lab (Language Lab)

Good communication skills are indispensable for the success of any professional. The English language, in particular, has become essential in the lives of young people who aspire to advance their careers anywhere in the world. English language learning has therefore become a must for any Indian student today. The Linguistic laboratory is very useful for assessing students' pronunciation. Our Sathyam Linguistic lab is designed to assist learners in the acquisition and maintenance of aural comprehension, oral and written proficiency. It provides them the experience of having interaction with native speakers.

OUR EVENTS — A GLANCE

World Food Day Celebrations

Dr.V.K.Chandrasekar MBBS.,DCH., was the chief guest of the occasion. He educated students on healthy diet and how to take food. Students displayed Food Pyramid and a Power-point presentation about food.

Dengue Awareness Programme

Authorities from Department of Sanitation and Public Health organised a Dengue Awareness Programme for the students and teachers in our school on 05th October 2015. They emphasized on the protective measures to avoid dengue fever.

Green Day Celebrations

To commemorate the 84th birth anniversary of our former President Dr.A.P.J.Abdul Kalam we celebrated the event with the theme “Green India”. Mr.Gnana Ravi, Inspector of Police, Vellakovil was the chief guest of the Occasion. Lion. S.Ravichandran was the special guest. We distributed plant saplings to the students and the teachers in remembrance of the event.

Tribute to Kalam

Management, Staff and students of the school mourned for the Former President Dr.A.P.J.Abdul Kalam . Students presented detailed information about the life history of Dr.A.P.J.Abdul Kalam.

Teachers Day Celebrations

Teachers day was organised and hosted by the students. They conducted various fun filled programmes for teachers. Also they presented cultural events like dance and song.

Buzzle & CCE Orientation Program For Parents

School organized an orientation program for parents to give training about the buzzle installation. Parents were educated about downloading Buzzle app from Play Store and apple store in mobile, Creating User Id and Password, discussed about the usage of Buzzle to students, methods/steps to scan the buzzle activity from book and completing the activities using mobile, explained about importance of CCE in CBSE.
